

KYIV SCHOOL OF ECONOMICS

Sponsorship opportunity

KSE Quant Club is a student-led club at Kyiv School of Economics for students interested in quantitative finance, data science, and research.

SPONSOR BRIEF

Support one activity, a recurring program, or the academic year.

CLUB	KSE Quant Club
INSTITUTION	Kyiv School of Economics
PERIOD	2026-27

SPONSORSHIP OPPORTUNITY

CLUB OVERVIEW

Who we are

01 / STUDENTS

Students

The club was founded by students in KSE's mathematics program.

02 / FOCUS

Focus

We help mathematically strong students learn about quantitative finance, data science, and research.

03 / ORGANIZATION

Organization

Our organizers include students with national and international mathematics competition experience. KSE provides venue and institutional support.

PLANNED ACTIVITY

What we plan to run

ACTIVITY SCHEDULE		
NOVEMBER	Probability & Games Olympiad	Offline competition in probability, games, combinatorics, estimation, and strategy.
DURING YEAR	Technical talks and workshops	Sessions with researchers, quantitative professionals, engineers, and alumni.
DURING YEAR	Recruiting events	Interview preparation, office hours, company sessions, and structured networking.
ANNUAL	Research awards and fellowships	Awards, stipends, and small grants for student work.
MARCH	ML game and simulation hackathon	A team competition organized with KSE's Computer Science faculty.

SPONSOR SCOPE

The sponsorship opportunity

A sponsor can support one activity, a recurring program, or the academic year.

01

Funding

Prizes, venue, participant travel, catering, and materials.

02

Expertise

Speakers, problem setters, judges, technical reviewers, and mentors.

03

Infrastructure

Datasets, software, and compute.

04

Student opportunities

Internships, interviews, and research placements.

AGREED DELIVERABLES

What we provide to a sponsor

INCLUDED IN THE AGREEMENT	
01	Name and logo on the agreed activity and its materials.
02	A defined role for speakers, workshop leaders, judges, or mentors.
03	The option to co-design a competition problem, challenge, or award.
04	Opt-in student introductions for interviews, office hours, or recruiting.
05	A post-event summary covering participation and agreed outputs.

**We would love to hear
from you**
